

RIVER CITY PICKLEBALL CLUB TOBACCO-FREE POLICY

PURPOSE

To protect the health, safety, and comfort of all club members and visitors of River City Pickleball Club (RCPC) events.

Smoking is a leading cause of preventable death in the United States. Smoking and secondhand smoke are known causes of lung disease, heart disease, and cancer. RCPC recognizes the hazards caused by tobacco use and exposure to secondhand tobacco smoke.

This policy covers the smoking of any tobacco product, including smokeless tobacco products and electronic cigarettes (regardless of tobacco content), and it applies to both club members and non-member guests/visitors.

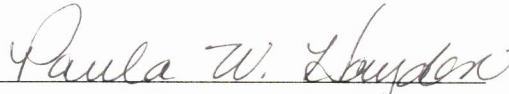

POLICY

No use of tobacco products, including smokeless tobacco products and electronic cigarettes is permitted within any facilities or upon any grounds owned or rented by RCPC at any time.

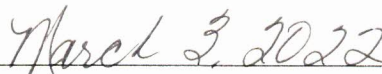

"Property" means the club's owned or rented facilities "curb to curb", including grounds, adjacent sidewalks, or parking lots.

PROCEDURE

1. Club members will be informed of the RCPC tobacco-free policy at the time of membership in the club.
2. Any club member or guest observed using tobacco or electronic cigarettes on owned or leased premises will be asked to discontinue in a tactful manner.
3. Any club member in violation of this policy will be handled through the standard disciplinary procedure.

President, River City Pickleball Club
